S. No.	Queries raised by Bidders
1	Bidder has requested for extension of Bid submission date by 12 days as the requirement of the subject bid is very high and will need much time to prepare the quotation.
2	The bidder asked for clarification regarding the number of IWC and EWC in the male toilet block
3	The Bidder requested SICOM to help them in getting the data on the Wind Velocity & Flood, of the nominated Beach from the State Authority for which they have to spend lot of time resulting in delays.
4	The bidder asked for the clarification regarding technical competence as per clause 3.2

SICOM representatives agreed to clarify the queries separately.

The meeting ended with vote of thanks.

The clarification to the queries raised by the bidders is as appended below:

S. No.	Queries raised by the Bidders	Clarification by SICOM
1	Bidder has requested for extension of Bid submission date by 12 days as the requirement of the subject bid is very high and will need much time to prepare the quotation.	No time extension can be given as SICOM has to deliver the project before 31 <sup>st</sup> December 2018.
2	The bidder asked for clarification regarding the number of IWC and EWC in the male toilet block	Layout drawing should be referred for any doubt in configuration
3	The Bidder requested SICOM to help them in getting the data on the Wind Velocity & Flood, of the nominated Beach from the State Authority for which they have to spend lot of time resulting in delays.	No. It is the responsibility of Contractor to get required testing done for nature of soil as budget provides for this. Wind velocity data can be obtained from the Department of environment of the state/ UT.
4	The bidder asked for the clarification regarding technical competence as per clause 3.2	The clause very clearly specifies that bidder can meet any 2 works from any of the 5 items of infrastructure or 2 works from any one of them.
